MEMORANDUM FOR ASSISTANT DIRECTOR, ORE

Subject: Proposed Standard Operating Procedures for Facilitating Departmental Participation in Preparation of National Intelligence and National Intelligence Surveys

Encl: Copy of letter and enclosure from W. Park Armstrong, Jr. to Admiral Hillenkoetter, dated February 16, 1948, subject above

1. Herewith is a copy of a letter from the State Department with suggestions for obtaining on a systematic basis coordination of intelligence papers pertaining to the national security. It is believed that the State Department wishes to set up an established procedure for the priority to be given such papers by all of the IAC Agencies with which they are coordinated.

2. It would be appreciated if the appropriate officers handling this matter in ORE would study the enclosures so that they can meet with ICAPS next week to discuss this matter as we wish to ascertain the views of ORE on this subject before taking it up with the IAC Agencies.
